

My Hero's a **WINNER!**

30th Anniversary!

My Hero: _____ **From:** _____

2023 My Hero's a Winner Coloring Event

The Historic Downtown Gresham Business Association is proud to sponsor the 30 th Annual My Hero's a Winner Coloring Event. Now open to all Gresham/Barlow elementary school students, Kindergarten through 5 th grade, including charter and homeschool students.

Please see the attached pdf for downloading the coloring sheet template. The medium used is up to the artist, we encourage creativity! The Hero should represent a real person in the student's life who has made a significant impact in their upbringing.

The artwork should be dropped off at Sugar Cubed (101 N Main Ave Gresham OR 97030) no later than 4/25. Artwork will be displayed in local businesses 5/1-5/18. We do not have the capability of returning artwork to students this year so please make sure copies are made so they can give it to their Hero.

When submitting artwork please include the attached cover sheet with the school, grade level, teacher's name, and email so we can inform you of where your classes artwork will be on display. (If you are submitting as a homeschooler or co-op group, please still fill this out with parent contact info).

****All teachers who submit artwork on behalf of their class, will be entered into a raffle for a chance to win awesome gifts from some local businesses like Maggie Maes, Off the Charts Games, and Sugar Cubed!****

This event is a staple in our community and business owners look forward to displaying the artwork of the students every year. Please consider participating with us, and if you have any follow up questions please reach out to Kayla Brown at (503)887-1878 or via email info@historicdowntowngresham.org.

Thank you so much for your participation, we can't wait to see what your students produce!

Once you've colored your page;
share your creation using [#greshamheros](https://twitter.com/greshamheros) & please tag [@historicdowntowngresham](https://twitter.com/historicdowntowngresham)
